**18 August**

Attendees are invited to make arrangements to attend a briefing by representatives from Alberta Research Council (ARC), 3rd Floor, Digital Building, 6815 8th Street NE, Calgary. Dr. Ted Heidrick has arranged to make time available during the 18th of August for CBDICE attendees. Please confirm your visit with ARC directly by calling Dr Heidrick at 403-297-2600.

Topic: Opportunities for industry in Alberta, support available from ARC, general discussion with time for questions, chance for participants to arrange future contacts with ARC or other provincial agencies.
